Hearts Alive!

boot camp

*A Journey into the
masculine soul*

January 14-17, 2010
Co-sponsored by The Door

Wild, Dangerous, Free

Discover the man you were meant to be

The **Hearts Alive Bootcamp** is a four-day mission into the recovery of your masculine heart as outlined in John Eldredge's book "Wild at Heart."

Through **teaching sessions, films, activities, periods of deep reflection, journaling** and **times alone**, you will experience an expedition of the heart that will start you on the journey of freedom and life in Christ you've always wanted.

Come join us on a four day quest to recover your heart and set it free. **You will never be the same. . .**
